Patents

Patents 1 - 10 on **security policy enforcement for security control**. (0.13 seconds)

Multilayer firewall system

US Pat. 5968176 - Filed May 29, 1997 - 3Com Corporation

Similar requirements exist for managing the **security policy** data associated with protected communications, access **control** and **security** assist 20 features. ...

Computer network **security** system and method having unilateral enforceable **security policy** provision

US Pat. 6202157 - Filed Dec 8, 1997 - Entrust Technologies Limited

A method for providing enforceable **security policy** provisions comprising: ...
policy rule data to facilitate unilateral **security policy enforcement**. 16. ...

Method to establish and enforce a network cryptographic **security policy** in a public key cryptosystem

US Pat. 5164988 - Filed Oct 31, 1991 - International Business Machines Corporation

A system administrator can exercise flexibility in the implementation of his **security policy** by selecting appropriate **control** vectors in accordance with the ...

System for providing secure internetwork by connecting type enforcing secure computers to ...

US Pat. 5864683 - Filed Oct 12, 1994 - Secure Computing Corporation

What is needed is a comprehensive and integrated **security policy** and ...
and **security policy** program code for enforcing a Type **Enforcement security** ...

Security services and **policy enforcement** for electronic data

US Pat. 6510513 - Filed Jan 13, 1999 - Microsoft Corporation

24 the **security** services and **policy enforcement** through standard software ...
The activex **control** would recognize the **security** certificate format and ...

Apparatus and method for providing multi-level **security** for communication among computers and ...

US Pat. 5577209 - Filed Jul 5, 1994 - ITT Corporation

The 15 dialog manager functions **control** the data path established in the SNIU,
... **security policy enforcement**, a user communication release interface, ...

System and method for maintaining **security** in a distributed computer network

US Pat. 6158010 - Filed Feb 12, 1999 - CrossLogix, Inc.

A real-world **security policy** within a large organization is a detailed and ...
advanced **policy** features and **enforcement** mechanisms are needed to **control** ...

Process for transparently enforcing protection domains and access **control** as well as auditing ...

US Pat. 6317868 - Filed Oct 7, 1998 - University of Washington

The **enforcement** service performs this test by querying the **security policy** service
with the **security** identifier of the subject and the **security** identifier ...

Security system for electronic printing systems

US Pat. 5077795 - Filed Sep 28, 1990 - Xerox Corporation

As background information, the **'Security Defaults'** **control** the ... these values
consistent with their **security policy enforcement** responsibilities. ...

US Pat. 6088451 - Filed Jun 28, 1996 - MCI Communications Corporation

206 are essential to the **enforcement of network security policy**, ...
